Objective: To obtain a career position as a Registered Dental Hygienist in a caring, health centered, learning environment. I am currently employed two days a week but am looking to add additional days.

I am a people-oriented professional with excellent technical and communication skills and the ability to work well within a team environment. I am very detailed and thorough in all tasks and welcome the opportunity to positively contribute to your practice!

Duties include oral health screening, oral health education, prophylaxis, scaling and root planing, sealant placement, digital x-rays (Scan-X), and Intra-Oral camera use. I have Dentrix software experience and am proficient in Microsoft Word, Excel and Publisher.
